

Job Title: Mental Health Therapist

Job Description:

We are actively seeking psychologists and therapists (either LISW or LPCC) to join our well-established private practice located in Sharonville, OH. We're open to both full-time and part-time contract positions. You're able to create your own hours based on your own individual needs as a provider.

Key Requirements:

- We are looking for experienced individuals who can contribute to our team of psychiatric providers and therapists, helping us manage our growing waitlist. This position requires LPCC, LISW, or a PhD/PsyD in psychology.
- Prefer proficiency in Cognitive Behavioral Therapy (CBT), Dialectical Behavioral Therapy (DBT), and other therapeutic modalities.
- We require a minimum commitment of 8 hours per week, which can be fulfilled either in one of our furnished offices, via Zoom, or both.
- Conduct individual therapy sessions with patients to address their mental health concerns.
- Assist patients in developing coping mechanisms and strategies to manage their mental health conditions
- Collaborate with other healthcare professionals to ensure comprehensive patient care

Why Join Us?

- Become part of a diverse and professional community dedicated to delivering exceptional care to adolescents through geriatric populations. You can choose the age range of clients you prefer to see.
- Our team of psychiatrists, psychiatric nurse practitioners, and psychologists, social workers, and counselors have expertise in serving diverse populations, including geriatric patients, trauma, EMDR, TMS, and medication management, who encourage a team dynamic and collaboration while working autonomously within your own set hours.
- Benefit from a comprehensive credentialing process to ensure a smooth onboarding experience with fair compensation.
- Full administrative support is provided to include scheduling, billing, and daily support to make your job as seamless as possible.

If you're passionate about making a difference in the field of therapy and are ready to be part of our dynamic team, we encourage you to apply.
